The Magic of Morocco! Enchantment Awaits!

Come with us to Morocco, that most magical and sophisticated African country. Ride camels in the desert, dance and sleep under the stars, experience the warmth and hospitality of the Bedouin people, and feast on delicious food prepared by local chefs.

You'll be bellydancing! Classes, dancing with locals, performances — bring something festive to wear and plan to have fun!

From mosques to imperial gardens and palaces, to breathtaking canyons and mountains, you will see Moorish, Spanish and Arabic influences everywhere. French is widely spoken here, and so is English.

Experience a traditional Arabic Hammam — a full body scrub and massage that will melt your tension and take years off your appearance. Your skin will glow! We'll visit some women-owned cooperatives and take a cooking class. We'll visit the Hollywood of Morocco and the beautiful "Blue City" of Chefchouen.

This is a specially curated adventure, and we'll be with you every step of the way to make sure you're safe and comfortable in beautifully appointed hotels and riads.

NEXT STEP: Reach out to Lynda Phillippi 503-560-7425 phone/text or lynda@gowithlynda.com and we'll get you booked. You'll need a valid passport, so check yours. Apply or renew if your passport is not valid through May 2024. **Just 15 spots available — don't delay!**
